October 15, 2008

Urgent! NABF is undertaking a huge membership drive to grow our membership so that we can move forward to expand our base and let our programs become a reality. We have a fantastic publication that we want to continue and expand so that we can continue to educate folks on the wild bears of North America.

Sign up for a Regular Membership and you will have the opportunity to win an Explorer 150 lb. crossbow by Horton Manufacturing Company. Sign up for a Black Bear, Brown Bear, Sponsor or Life Membership and you will have the opportunity to win a 5 day black bear hunt with Brian Bachman, NABF President, at Arrowhead Wilderness Outfitters in northern Minnesota!
