

2010  
AHEIA Teacher's  
Workshop  
July 23-25

Alford Lake  
Conservation  
Centre For  
Excellence

# General Information

## AHEIA Teacher's Workshop

July 23-25, 2010

Alberta Education has a program called the "Wildlife Strand" offered within the Careers and Technologies Studies option. The programs that we offer through Alberta Conservation and Hunter Education and Fishing Education Programs meet all requirements specified by Alberta Education in their curriculum guide.

We have set up a workshop for teachers related to the "Wildlife Strand" for July 23 – 25, 2010. A component of the workshop will offer the certification teachers require for delivering the "Wildlife Strand" program. Certification from the Alberta Hunter Education Instructors' Association will be offered in:

- a) Alberta Conservation & Hunter Education Program
- b) Alberta Fishing Education Program

An additional session of the workshop will familiarize the teachers with the activities at our Outdoor Camps as they relate to Outdoor Experience I and II. These sessions include "hands on" participation in:

- a) Survival & Camping Program
- b) Shooting Program (shotgun, small bore rifle & large bore rifle)
- c) Compass Program
- d) Fishing Program
- e) Archery Program

The workshop is scheduled at the Alford Lake Conservation Education Centre located 24 km West of Carline.

Registration is limited. If you are interested in this workshop, please have the teacher(s) you choose fill out the appropriate forms and return them no later than July 9, 2010 or contact us by email at [dave@iheia.com](mailto:dave@iheia.com) or [edmontoninfo@iheia.com](mailto:edmontoninfo@iheia.com) or by phone 1.866.852.4342 or 1.866.282.4342.

The workshop registration fee is \$150.00 per person plus GST. We supply all meals, accommodations (cabins), all resource materials, instructor certifications and a one-year complementary membership into our organization. We have thirteen cabins that will accommodate seventy-eight people. Alternately, if teachers want to camp, we have stalls for twelve units (with power) on site. There are also two private campgrounds within a ten-minute drive of our facility that may be more practical for family camping.

All teachers registering and staying in the cabins will need to bring a sleeping bag, pillow, alarm clock, towel, soap, and other personal items. Many activities are scheduled outdoors, so appropriate dress is recommended. Teachers may bring their own personal gear for all "hands on" activities.

If you have any questions or concerns, please contact, Dave Paplawski, at 403.319.2277 or 1.866.852.4342 or the Edmonton Conservation Education Centre at 780.466.6682 or 1.866.282.4342.

# Additional Information

## AHEIA Teacher's Workshop July 23-25, 2010

A few reminders to help make this workshop more enjoyable:

1. Bring indoor and outdoor clothing and footwear, including rain gear.
2. Those using the cabins need to bring a pillow and sleeping bag.
3. Personal items should include an alarm clock, flashlight, insect repellent, sun screen, towel,
4. wash cloth, soap, toothpaste, comb and shampoo.
5. If you have any equipment relevant to the sessions i.e.: Archery, fishing, or the shooting program, please feel free to bring them. Otherwise all equipment will be supplied.
6. Those wishing to fish at Alford Lake **MUST have an angling license**. Belly Tubes, Canoes, Pontoon Boats, chest waders, and fishing rods (both fly and spin casting) are available at the camp. One session will be on "Fishing."
7. **Alford Lake is an Alcohol/Drug free camp!**

We look forward to seeing you at the Workshop.  
You will find it an enjoyable learning experience.
