Please be aware that there is no fence surrounding the runways at this airport. Therefore, we need to be aware of the risk of a wounded animal running onto a runway.

If this happens, please do the following:

Between the hours of 8:00 a.m. to 9:00 p.m. – contact the Control Tower at 780-458-5828 or maintenance at 780-994-1122 and advise of the situation. Be sure to be able to identify which runway is affected.

If it is after this time, contact the Duty Manager at 890-8327 and advise of the situation.

Please be aware that we are NOT AUTHORIZED to enter onto the runways, therefore we need authority and escorting from Airport personnel.
